

**50th Golden Anniversary Season 2019-2020**

Dear Community Members,

Fairbanks Light Opera Theatre is a local, non-profit organization with the mission to provide quality musical theatre to our community. In its 50 year history, FLOT has produced at least two shows per year and developed resources of expertise, costumes and materials that are generously shared with other arts groups, schools, churches, and individuals.

All of this is supported by the generosity of the Fairbanks community and the sales receipts from shows. FLOT has no paid staff and, therefore, is entirely a volunteer effort.

Over the last few years, however, there have been dramatic cost increases and declines in support for the arts. The large musicals we've been known for such as Annie, The Wizard of Oz, and Les Miserables are expensive to produce. We wish to continue bringing you both classic and newly released Broadway productions, but frankly, we need your help.

We would like to invite you to become a member of the FLOT family with a financial contribution. Members will be recognized in our show programs at the following levels:

Cherub	\$1-\$99	Platinum Angel	\$500-\$999
Silver Angel	\$100-\$199	Star Angel	\$1,000-\$2,499
Gold Angel	\$200-\$499	Archangel	\$2,500+

Please consider supporting our 2019-2020 season with your tax-deductible contribution. Your generosity is most appreciated. Help us celebrate 50 years entertaining the Golden Heart City of Alaska!
